#### Independent Auditor's Report

The Board of Directors Big Brothers Big Sisters Hawaii, Inc.:

#### **Report on the Financial Statements**

#### **Opinion**

We have audited the accompanying financial statements of Big Brothers Big Sisters Hawaii, Inc., which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Big Brothers Big Sisters Hawaii, Inc. as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Report on Summarized Comparative Information

We have previously audited the Big Brothers Big Sisters Hawaii, Inc.'s December 31, 2020 financial statements, and our report dated September 28, 2021 expressed an unmodified opinion on those financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Big Brothers Big Sisters Hawaii, Inc. and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Big Brothers Big Sisters Hawaii, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Big Brothers Big Sisters Hawaii, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant findings, and certain internal control-related matters that we identified during the audit.

#### **NOTE A - ORGANIZATION**

Big Brothers Big Sisters Hawaii, Inc. (the Agency) is a mentoring organization which provides children facing adversity with strong and enduring professionally supported one-to-one relationships that change their lives for the better, forever. The United Way provides the Agency with a portion of its revenues through annual allocations. Government grants, donations, receipts from fundraising projects (special events), interest, and dividends are other sources of funds.

As a non-profit organization qualifying under Internal Revenue Code Section 501(c)(3), the Agency is exempt from Federal and State income taxes.

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation -

The financial statements of the Agency have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Cash and Cash Equivalents -

All highly liquid instruments purchased with an original maturity date of three months or less are considered cash equivalents.

Fixed Assets -

Building improvements and equipment acquisitions are recorded at cost and, if donated, at the fair market value at the date of donation. The Agency follows the practice of capitalizing all expenditures for building improvements or equipment acquisitions in excess of \$1,000. Depreciation is provided over the estimated useful lives of the respective assets, which range from 15 to 20 years for building improvements and 3 to 7 years for equipment. The Agency uses the straight-line method for depreciating fixed assets.

Deferred Income -

Deferred income consists of cash and grants received that are anticipated to be earned in future years.

Net Assets without Donor Restrictions -

The Agency reports contributions as revenues without donor restrictions unless donor restrictions specify how the donated assets must be used.

Notes to the Financial Statements

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Net Assets with Donor Restrictions - Purpose or Time -

The Agency reports gifts of cash and other assets as donor restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same period as when received are reported as revenues without donor restrictions.

Net Assets with Donor Restrictions - Perpetual -

The Agency reports as net assets with perpetual donor restrictions gifts and bequests which have been accepted with the donor's stipulation that the principal be maintained intact in perpetuity with only the income to be utilized.

At December 31, 2019, the Agency had a \$300,000 donor-restricted endowment from the Harry and Jeanette Weinberg Foundation. In March 2020, the Harry and Jeanette Weinberg Foundation released the Agency from the perpetual restrictions and requirements in the original endowment agreement.

There were no board designated endowments at December 31, 2021 or 2020.

#### Investment Policy –

The Agency has adopted an investment policy for assets that attempt to provide an additional stream of funding to programs Under this policy, as provided by the Board of Directors, the following shall be considered in managing and investing an asset:

- 2) The general economic conditions;
- 3) The possible effect of inflation or deflation;
- 4) The expected tax consequences, if any, of investment decisions and strategies;
- 5) The role that each investment or course of action plays within the overall investment portfolio of the fund;
- 6) The expected total return from income and the appreciation of investments;

#### Spending Policy -

The Agency has a policy of appropriating funds for expenditure that is determined prudent for the uses, benefits, purposes, and duration for which the restricted fund is established. In making a determination to appropriate, the Agency shall act in good faith, with the care that an ordinarily prudent person in a like position would exercise under similar circumstances, and shall consider, the following factors:

- 1) The duration and preservation of the restricted fund assets;
- 2) The purposes of the Agency and the restricted fund assets;
- 3) General economic conditions;
- 4) The possible effect of inflation or deflation;
- 5) The expected total return from income and the appreciation of investments;
- 6) Other resources of the Agency; and
- 7) The investment policy of the Agency.

In addition, if the donor stipulates how assets are to be spent, the Agency will follow the donor's spending policy. When expenses are incurred which can release multiple donor restrictions, it is the Agency's policy to release the narrowest donor restriction first, followed by broader restrictions.

#### Recognition of Grant Revenue -

Grants are received from state and local governments and private foundations. Revenues on cost reimbursement contracts are recognized when allowable and reimbursable expenses are incurred, and upon meeting the legal and contractual requirements of the funding source. Revenues on fee for service contracts are recognized when the services required by the contractual agreements are satisfactorily performed. These revenues are generally exchange transactions and are thereby recorded as revenues without donor restrictions. Notes to the Financial Statements

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates -

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, gains, other support, and expenses during the reporting period. Actual results could differ from those estimates.

#### Donated Materials and Services -

Donated materials and services, received by the Agency, are recorded as support at their estimated fair market values at the date of donation. Such donations are reported as contributions without donor restrictions unless the donor has restricted the donated assets for a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire equipment are reported as contributions with donor restrictions. Absent donor stipulations regarding how long those donated assets must be maintained, the Agency reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor.

A substantial number of volunteers have donated significant amounts of their time to the Agency's program services and its fundraising campaigns. However, these services have not been reflected in the financial statements since the services did not create or enhance non-financial assets and did not require specialized skills that would typically need to be purchased if not provided by donation.

#### Income Taxes -

The Agency is a not-for-profit organization that is exempt from federal income taxes under Section 501(a) as described under 501(c)(3) of the Internal Revenue Code and comparable state law as a charitable organization, whereby only unrelated business income, as defined by Section 509(a)(1) of the Code is subject to federal income tax.
